UCSB Day

UCSB Day brought the entire student body of Harding University Partnership School — pre-kindergarteners through sixth-graders — to campus on Friday, May 15, for a morning of fun, games and scholarly inquiry. The annual event has become a highlight of the academic year since the Santa Barbara elementary school joined forces with the Gevirtz Graduate School of Education in 2010.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
