UCSB Will Graduate 4,500 Students in Eight Commencement Ceremonies

Approximately 4,500 graduating students will take part in one of eight official commencement ceremonies scheduled at UC Santa Barbara over eight days starting June 7 and concluding June 14.

The campus's commencement exercises attract an estimated 40,000 visitors to the Santa Barbara area each year.

As is traditional at UCSB, the ceremonies are organized by college, level of degree, and field of study so that each student can be individually recognized.

Chancellor Henry T. Yang will shake the hand of each student graduating from the College of Creative Studies, the College of Engineering, the College of Letters and Science, the Donald Bren School of Environmental Science and Management, and the Graduate Division.

The College of Creative Studies will lead off with its ceremony on Sunday, June 7, at 11 a.m. in Campbell Hall.

The Donald Bren School of Environmental Science and Management will conduct its ceremony on Friday, June 12, at 10 a.m. in the Bren Hall Courtyard.

On the weekend of Saturday, June 13, and Sunday, June 14, six ceremonies -- three each day -- will be held on the Commencement Green behind the Faculty Club.

A listing of the ceremonies and guest speakers follows. Complete biographical information on all speakers is available on the UCSB Web site at this address: www.ia.ucsb.edu/commencement/2009x/speakers.shtml

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
