A Day in the Life of UCSB

In late October 2013, a team of photographers and videographer Spencer Bruttig traversed the UC Santa Barbara campus to capture a slice of life, from sunrise to sunset. We think you'll enjoy their presentation. For access to the video "A Day in the Life of UCSB," which captures a day on the UC Santa Barbara campus from sunrise to sunset, please contact us.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
