Spring Insight 2014

On Saturday, April 12, thousands of visitors flocked to Goleta for UC Santa Barbara's annual Spring Insight open house. The prospective students and their families were here to check out UCSB before making their final decisions on where to go to school next fall. From the looks of things, most of them will be Gauchos!

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
