## Walking Together (again)

*For the innocent ones, killed and injured, May 23rd, 2014. Isla Vista, Santa Barbara, CA*

May you continue

in our hearts

we

will

tell many stories your short

life which is our

life & undulates in sky

deep

glades

now an infinite meditation

we will touch

your shoulders as we once did & it will

be different we will comfort each other

& walk

together a gain (with you)

## **About UC Santa Barbara**

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
