Walking Together (again)

For the innocent ones, killed and injured, May 23rd, 2014. Isla Vista, Santa Barbara, CA

May you continue
in our hearts

we will
tell many stories your short life which is our life & undulates in sky
depth glades

now an infinite meditation

we will touch your shoulders as we once did & it will
be different we will comfort each other
& walk
together a g a i n (with you)

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
