Fun in the Sun

Sometimes you just have to kick back, relax and revel in the summer sun. That’s what the UC Santa Barbara staffers did Friday, July 18, at the All-Staff Summer Recess, a lunchtime event at the Faculty Club Green. The grownup recess had all the essentials: an all-terrain climbing tower, a bounce house, an assortment of lawn games and ice cream. The event was produced in cooperation with several campus organizations, including KCSB, Professional Womens Association, GauchoU, Associated Students and Gaucho Certified Farmers Market.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
