For access to the “A Nobel Celebration” video, featuring highlights from the UC Santa Barbara news conference celebrating Professor Shuji Nakamura’s 2014 Nobel Prize in Physics, please contact us.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
