Creating Your Future

The film and media studies department at UCSB is a place where creative young minds can thrive, thanks to its combination of the best of theory-based liberal arts education and opportunities to apply that knowledge by working in all aspects of film production. UCSB film and media studies students are ambitious, creative and uniquely prepared to use their skills to communicate effectively. Hear a few of them explain for themselves in this new video.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
