Celebrating Excellence

A few blustery days notwithstanding, Staff Celebration Week 2016 was a rousing success.

Among the highlights of the week's activities were the Staff Assembly Ice Cream Social; the Chancellor's Staff Luncheon at which Staff Citation of Excellence Awards and the staff sustainability award were presented; the Food Truck Fair and the Staff Social & Crafts Bazaar.

A host of other events took place as well, including Storke Tower and campus architecture tours; an array of talks, lectures and presentations; the Staff Assembly Cookie Contest; and free admission to baseball and softball games and to the Recreation Center.

The annual Staff Celebration Week is made possible by the Chancellor's Staff Advisory Council, Staff Assembly, the Professional Women's Association and the Academic Business Officers Group.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we

draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
