Blunite

Thousands of blue LED lights have been on display at UC Santa Barbara and in Isla Vista throughout the month of May to symbolize the strength of the campus community. On Saturday, May 14 in People's Park in Isla Vista, Blunite's light carnival, "Lite the Nite," featured music, dancing, games and prizes, all in an LED atmosphere.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
