Staff Advisor to the UC Regents

Applications are now being accepted for the next staff advisor-designate to the UC Regents. The term will run from July 2017 through June 2019.

Staff advisors are staff or non-Senate academic employees who bring the voice and perspective of these employees to UC Board of Regents deliberations and to decision-makers at the Office of the President. They serve as non-voting advisors to designated Regents' committees; attend and participate directly in committee and board meetings; and visit many of the campuses to solicit input from staff.

Each of the two staff advisors serves two years. The terms are staggered, with one new staff advisor selected each year.

The current staff advisors are LaWanda Richmond, a business analyst at UC San Diego, whose term expires in June; and Jason Valdry, a director of technology at UC Irvine, whose term expires in June 2018.

Those interested in public policy, advocacy and the future direction of the university are encouraged to apply. Any staff or non-Senate academic employee, whether represented or non-represented, with at least five years of UC service is eligible.

More information is available on the [staff advisor website](#).

Questions about the position or the application process may be directed to Juliann Martinez at UCOP, at (510) 287-3331 or juliann.martinez@ucop.edu. The deadline to apply is March 10, 2017.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
