All-GaUCHo Reunion 2017 Marks Historic Events

Thousands of alumni will reunite at UC Santa Barbara to reminisce, network and show their support for the university at the [11th Annual All GaUCHo Reunion](#) from Thursday, April 27 through Sunday, April 30, 2017. This UCSB signature event, which brings together alumni from across the United States and around the world, is held on the university's campus and is produced by UC Santa Barbara Alumni with Nationwide as the presenting sponsor.

Highlights include a concert celebration of the major influence UCSB students, alumni and Isla Vista have had on the worldwide music scene; and the historic 50th anniversary celebrations for the Class of '67, the College of Engineering, and the University Center (UCEN), an important hub of student life. Community members are invited to the many events.

The All GaUCHo Reunion is an important occasion not only for connecting and bringing alumni back to celebrate all things UCSB, but also to support current students. Proceeds from many of the All GaUCHo Reunion events benefit student scholarships at UCSB. In addition, reunion participants will join with UCSB Greek life students in collecting food and monetary donations for the [Associated Students Food Bank](#), which is run by students in support of fellow classmates experiencing financial challenges.
