Puppy Love

The oohs and aahs and throng of students gathered on the lawn near the UCSB Library plaza might have suggested the presence of a famous actor or pop star. Many, however, would say it was even better: Dog Therapy Day. A group of doggone adorable caring canines were on hand to help students de-stress as they head down final stretch of fall quarter. A regular event taking place in advance of finals week, Dog Therapy Day is sponsored by UCSB's Health & Wellness Program.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
