Happiness Is ...

The Princeton Review recently named UCSB students the happiest in California. On International Day of Happiness, it’s only fitting that some of those students share what it is about UCSB that increases their daily happiness quotient. Hint: sunshine, surf and world-renowned faculty figure prominently.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
