Bring on the Cheer

From psychedelic coasters to one-of-a-kind jewelry, botanical décor to textile treasures, the 2019 UC Santa Barbara Winter Warmer crafts bazaar brought some holiday cheer to the plaza at Campbell Hall.

The campus staff's creativity and talent was on full display with unique, handcrafted and in many cases eco-friendly creations for those looking to get just the right gift for that hard-to-shop-for friend, or a little something for themselves.

All the mingling, sweet treats and beautiful baubles were for a good cause, too: Associated Students collected donations for the A.S. Foodbank, in exchange for entries to win prizes in the Winter Warmer drawing.

The annual Winter Warmer is hosted by Staff Assembly, the Chancellors' Staff Advisory Council, the Professional Women's Association and the Academic Business Officers Group.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society.

All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
