Freshman Admission Decisions

The Office of Admissions has announced that freshman admission decisions will be released as scheduled, Tuesday, March 17th at 3pm. Transfer application decisions will be released on Wednesday, April 22nd.

Campus tours:

Campus tours and Admission presentation are cancelled thru May 2, 2020. Families can access Virtual Tours at http://admissions.sa.ucsb.edu/visit-ucsb/virtual-tours). Presentations will be recorded and available on our YouTube site at: https://www.youtube.com/user/UCSB4Me and emailed to any students with a previous reservation.

Open House:

Our annual Open House scheduled for April 18th has been cancelled but families can participate in our Virtual Open House on Tuesday, April 22nd from 1-7pm PST (see http://admissions.sa.ucsb.edu/visit-ucsb/open-house).

Webinars:

Many of the sessions that were going to be offered at Open House and within the Visitor Center will be recorded and posted to our YouTube channel at https://www.youtube.com/user/UCSB4Me.

Additional Services:

Student chats and Zoom advising appointments with our Admissions Counselors will be offered to admitted and prospective students. Information about these sessions will be emailed to students.

Prospective students who would like to receive this information should join our mailing list at: http://admissions.sa.ucsb.edu/connect/mailing-list.

Publications from Admissions can be accessed at: http://admissions.sa.ucsb.edu/connect/publications

Videos can be accessed at: http://admissions.sa.ucsb.edu/connect/videos

Email:

We will continue to respond to email. Applicants with specific questions about their application should write to Admissions@sa.ucsb.edu. General questions can be sent to ucsb4me@sa.ucsb.edu

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
