We could get used to this. For the sixth straight year, UC Santa Barbara has been named "Best Place to Work" in The Indendent's annual Best of Santa Barbara Readers' Poll. Complete results are now published.

About UC Santa Barbara

The University of California, Santa Barbara is a leading research institution that also provides a comprehensive liberal arts learning experience. Our academic community of faculty, students, and staff is characterized by a culture of interdisciplinary collaboration that is responsive to the needs of our multicultural and global society. All of this takes place within a living and learning environment like no other, as we draw inspiration from the beauty and resources of our extraordinary location at the edge of the Pacific Ocean.
